

55" SLIMLINE FREESTANDING DIGITAL POSTER

Welcome to the world of digital advertising. Our Slimline Digital Signage range brings you all you need to create stunning displays effortlessly.

Designed to be a complete contemporary digital signage solution, their buttonless tempered glass face, super slim profile, rounded corners and aluminium surround all add to their eye-catching aesthetics.

The displays are fitted with commercial grade panels providing them with a wide viewing angle, improved colour contrast and brightness as well as the ability to be used 24 hours a day.

A simple and intuitive piece of scheduling software is also included which allows you to schedule different content to play at different times of the day. In addition to this you can also add scrolling text to have an even greater impact on your advertising campaign.
